General Specifications

- To maintain the cast iron grill before grilling, it is advisable to spread a thin layer of olive oil and thus you will have created a non-stick surface
- With the cast iron grill, cooking is done faster, as the temperature is distributed evenly on all sides of the food
- One side is pointed to give you perfect grill marks, while the other side is grooved to capture juices for continuous basting while cooking
- Reduce the opening time of the lid
- It has thermometer to control the temperature of the chamber during cooking, avoiding burning the food
- It is an ideal choice for perfectly roasting all kinds of vegetables, meat and fish
- It lights up instantly and heats up very quickly
- The electronic ignition offers you peace of mind knowing your barbecue grill will start quickly and easily
- The intensity of the temperature is adjustable
- Durable resin side shelves are designed to quickly and easily fold down for convenient storage in tight spaces
- Burners: Made from high quality stainless steel
- Stainless steel doors and handle
- The large enclosed cabinet gives room for gas cylinder storage
- The control knobs illuminate creating a stylish look that you'll find attractive and functional
- The 4.4 kW stainless steel rear burner is ideal for perfect, slow roasting of chicken, turkey, etc
- The maximum weight it can rotate the spit kit is 6 kg
- The fat is directed even more efficiently to the collection tray that is now located in the center, making it easier to clean and maintain your grill
