

HAMA 187278 Charger, 25 Watt

SKU: IT66502

€19.95

Specifications

Technical Specifications

- Maximum Output Power: 25 Watt
- Connection: USB Type-C
- Power Supply: 100 - 240 V

General Specifications

- Supports Qualcomm® Quick Charge™ 2.0/3.0 technology, which guarantees ultra-fast charging
- Intelligent chipset for safe charging: IC with temperature protection
- Optimized charging process protects the battery and thus extends battery life
- Connected devices are automatically recognised and optimally charged
- Maximum compatibility: Power Delivery can be used universally, making it suitable for smartphones, AirPods, tablets and power supplies.
